About me

My journey into the world of web development started with a curiosity for coding, and it has evolved into a commitment to mastering ReactJS. With a foundation of strong verbal and written communication skills, I'm motivated to contribute and work collaboratively with others. As a fervent team player, I'm genuinely excited to learn from my colleagues and contribute collaboratively.

Education

Bachelor Degree in System Engineering

Communication

Turkish (Native), English (Fluent)

Technical Skills

Web Development (HTML, CSS, JS, React, NodeJS, MongoDB, Git, …)
Data Analysis,
Statistical Analysis,
Adobe Photoshop

Soft Skills

Teamwork | Collaboration | Confidence | Self-motivation | Responsibility | Leadership | Time Management | Problem-Solving Abilities | Adaptability | Computational Thinking | Eager to Learn
